## BOARD BRIEFS

### THE BOARD LISTENS

Once again, the Board of Directors would like to invite all homeowners who have questions or concerns to attend a "Listening Session" which will be held in the Clubhouse on Tuesday, June 7th at 10:00 a.m. Please take advantage of this opportunity to meet with the 2016 Board.

### HOUSE FIRE

The Horry County Fire Department has still not published the official cause of the fire that occurred at 233 Cottonwood Lane on March 20th, so we are unable to provide you with that information at this time. However, we will continue to keep in touch with them and as soon as we receive official notification, we will post in the News and Views and on our Website.

On this same subject, we hope that you'll take advantage of the Firewise program presented by the SC Forestry Commission and HCFD scheduled for May 24th at 10:00 a.m. in the Clubhouse (see enclosed flier). Please plan on attending to learn how you can better protect your home and neighborhood from a forest fire and ensure the interior of your home is being maintained properly.

### AARP PRESENTATION ON SCAMS

On Wednesday, April 20th, 48 of your fellow residents attended a program designed to alert us of the all too often occurrence of seniors, in particular, becoming victims of scams and how to avoid that same fate. Fortunately, due to the assistance of Doris Gleason, Director of Community Outreach for AARP in South Carolina, and fellow neighbor and local AARP Legislative Representative, Jackie Blakey, our residents were presented with ways on how to prevent becoming the next victim.

However, this program would not have been possible without the willingness of Ralph Billeter to share his first-hand account of being a victim himself, which made quite an impact on those in attendance, and his suggestions on protecting yourself were extremely helpful. So, thank you to both Ralph and AARP for bringing this to our attention and providing valuable tips on how to avoid the same fate.

### DOG WALKING AFTER DARK

A few weeks ago, we had a close call on Myrtle Trace Drive. A resident driver almost hit a resident walking a dog in the evening. All dog walkers are strongly encouraged to walk facing traffic in order to see an oncoming vehicle in time to avoid an accident. Also, when dog walking after dark, please wear reflective clothing and carry a flashlight.

### DID YOU KNOW ?

The MTHOA has a policy whereby the death of a resident is observed by lowering the Myrtle Trace flag for three days, posting a notice outside the Clubhouse door and posting the name in the Memorium section of the website. Also, a \$50.00 donation is made in memory of the deceased to the organization of the family's choice.

## PROPERTY COMMITTEE

First off, I would like to thank all of the people who came out for the annual clean-up/ pool opening event. Your help is much needed and appreciated to make this happen every year. Along that same note, Paul Sallas has opted to step down as our pool/sports complex maintenance man. Paul has done this for several years, and has been instrumental in many of the improvements and changes that were made in the area. I want to thank Paul many times over for his contributions to Myrtle Trace. Paul will continue in his role as Phase 5 Rep. In his place, David Richter has volunteered to take over Pauls' responsibilities in the pool/sports complex.

As you have probably noticed the Cabana and Clubhouse have received a much needed facelift. They both needed some wood repair and a fresh coat of paint. They look great. I would like to thank all of those involved - the Property Committee, Board members, Al Hardees crew and the contractor who did the work. It took a big effort to get the funds together, bids reviewed, and finally getting the work done in a timely matter. Again thanks to all involved, a real Myrtle Trace team effort.

Lastly, everyone has probably noticed the surveyors' poles and flags along Myrtle Trace Drive, Myrtle Ridge and Burning Ridge Road. Santee Cooper has contracted Thomas & Hutton, an engineering/surveying company, to survey these areas to ultimately replace the existing Direct Buried Cable System with a Conduit System. This will allow for better reliability. We will keep you informed on this project as it progresses. Thank you - enjoy the rest of your spring.

## PANCAKE BREAKFAST

The Easter Saturday Pancake Breakfast took place on March 26th. Thirty-three people attended and they kept three grills busy making delicious "home-made" pancakes using a family recipe."made from scratch"! I would like to thank my Co-Chairperson, Annie Kongvold along with Liz Maass, Karen Riley, Pat Paxson, Carol Shea, Michael McDonough, Dianne McDonough and Kathy Dulhagen who were totally on board from start to finish including shopping, set up, cooking and clean up. It does take a 'community'! Thanks to all. Enjoy the photos of the event which are posted on the Myrtle Trace website.

## MYRTLE TRACE MINI GOLF

The inaugural 10 week spring mini golf session kicked off March 8, 2016. While there were 28 people signed up to play, we average 16 players each week. After 6 weeks of play, 68 hole in ones have been reported. Weekly playing partners are randomly selected so that players get to meet their Myrtle Trace neighbors.

Games are played on Tuesdays at 10 AM. We rotate the play between 5 courses, playing each one twice during the season. The spring season will conclude on May 17. However, with such good reports of everyone having fun during this season, a 10 week fall season is being planned. (Watch the News and Views for information on the fall season) You may join us for the remainder for the spring season, or join us in the fall. Please call Gary or Ginny Cooper at 843-347-2969 if you have any questions or for further details.

## BOARD BRIEFS (CONT'D.)

### MYRTLE TRACE IS A BEAUTIFUL PLACE !!

Maybe not perfect but pretty darn close! There are a few things that detract from our “paradise” and some of them can’t be controlled. Things such as rain, pollen (ugh!) and pine straw. However, there are things we can control - yard maintenance and especially picking up dog droppings. The dog issue comes and goes and it is a problem again. Let’s all remember to be good neighbors and pick up after our “best friends”.

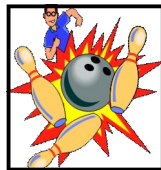

### VOLUNTEER CELEBRATION

On Sunday, April 10th, the Myrtle Trace Board acknowledged and celebrated the efforts of over 100 resident volunteers who contributed 22,356 hours of time to Myrtle Trace and the surrounding community during 2015.

Over 60 residents enjoyed refreshments and a video presentation of their various volunteer activities which proves again, that while we may have retired from our careers, we certainly haven’t retired from donating our time and efforts to over 66 causes, whether it was serving meals at the Shepherds Table, wrapping gifts for children of Hospice patients, working in the Garden Club, or any number of areas where we left our mark.

Our Property Committee members shared 2,187 hours of their time to help maintain our community; the Community Chorus gave 1,705 hours fine-tuning their talents for the enjoyment of our residents and those in our community at large. And we made quite an impact with our 1,843 hours contributed to Conway Medical Center and 1,316 hours to Kingston Nursing Home. It didn’t matter the amount of hours given, it was your willingness to give.

The time you give Myrtle Trace, year after year, allows us to continue our reputation as one of the premier retirement communities in SC; but more importantly, your willingness to give continues our reputation as a community that for over 30 years has opened their hearts so that others may benefit. Thank you from your Board of Directors for that gift of compassion and generosity to others.

### BOWLING

The Myrtle Trace Bowling League reached the final match of the 2nd half with the High Rollers (Ted Ackley, Jeanie Bastian & Bob Bastian) in 1st place with a 2 point lead over Just Us (Walt Gardiner, Al Wellman & Tony Maturi). After the High Rollers lost the first game, the teams were tied for first. Led by the outstanding bowling of Jeanie Bastian, the High Rollers won the next two games and clinched the 2nd half title. They will now face the Alley Cats (Bob Kirk, Russ Nixon & Ken Stiegler) on April 28th for the overall championship. The Beach Bums (Mike McDonough, Helen Tillman & Ron Kemp) and Spare Time (Pat Hargreaves, Norm Hargreaves & Horace Jones) finished near the top of the standings.

High scores have been bowled by Tony Maturi (648), Al Wellman (638), Ron Kemp (611), Jerry Campbell (590), Tom Dexter (578), Horace Jones (569), Bob Bastian (547), Ted Ackley (534), Norm Napier (530), Nelson Fisher (522), Helen Tillman (520), Ed McCorkindale (513) and Annette Krapf (509). The high average bowlers are Tony Maturi (197), Al Wellman (196), Bob Bastian (176), George Thompson (174), Helen Tillman (159), Susan Lyons (151), Pat Benson (140) and Yvette Campbell (140).

Following the championship match, the league will enjoy a banquet and awards ceremony at Martin’s Restaurant in Myrtle Beach.

## FIREWISE PRESENTATION

TUESDAY, MAY 24, 2016 . 10:00 A.M.

## MYRTLE TRACE CLUBHOUSE

Brush, grass and forest fires don't have to be disasters. Firewise Communities Program encourages local solutions for safety by involving homeowners in taking individual responsibility for preparing their homes from the risk of wildfire. The program is co-sponsored by the USDA Forest Service, the US Department of the Interior, and the National Association of State Foresters.

Please join Drake Carroll, South Carolina Forestry Commission, and members of the Horry County Fire Department to learn how you can better protect your home and neighborhood from a forest fire. We'll also be discussing how to maintain the interior of your home to prevent a house fire, especially in light of the recent fire one of our homeowners suffered.

To save lives and property from wildfire, NFPA's Firewise Communities program teaches and encourages neighbors to work together and take action now to prevent losses. We all have a role to play in protecting ourselves and each other from the risk of wildfire.

Please RSVP to Pat Searles at 843-234-0459 by May 23<sup>rd</sup>.
